

Issue # 8 - Kent Health & Wellness Center Bond Issue Facts

What is Included?

The proposed space program of 72,000sf includes gymnasium spaces, an indoor turf field, elevated walking track, fitness equipment areas, fitness classrooms, senior and community rooms, locker rooms, a central gathering area, administrative offices, and allowance of up to 5,000sf for a health partner to occupy.

How much will it cost?

Capital cost to develop the facility is estimated at 17.5M and if approved would be funded through a dedicated 28 year bond issue that will be voted on by the citizens of Kent on November 7th as Issue # 8. Kent residents will receive reduced membership costs. Below is the estimated tax for this bond issue.

Kent Standard Households Rate

HOME VALUE	MONTHLY COST	ANNUAL COST
\$50,000	\$3.71	\$44.56

Kent 65 & Over Households Rate

HOME VALUE	MONTHLY COST	ANNUAL COST
\$50,000	\$1.96	\$22.28
\$75,000	\$3.71	\$44.56
\$100,000	\$5.57	\$66.84
\$125,000	\$7.43	\$89.12
\$150,000	\$9.28	\$111.40

In addition to KPR recreation programs, A series of wellness programs will be offered?

- Physical Therapy * Diabetes Prevention *
- * Weight Management * Smoking Cessation *
- * Blood Pressure Screening * Silver Sneakers *
- * Corporate Health & Wellness * Support Programs *
- * Healthy Cooking * Senior Citizen Programs *

Where would it be built?

The study identified the seven acre parcel located across the street from Fred Fuller Park as the location because of its connection to our largest park and for its central location with high visibility.
