

Public Hearing

The City Clerk has arranged for a public hearing on the Proposed FY2022 CDBG Action Plan which will **begin at 7:25 pm.**

Unauthorized Items

1. Authorize a Brownfields Remediation Grant Application (Draft #2022-017)

In January 2022, Council approved submitting an ODOD grant request up to \$300,000 for contaminated site assessment work in the vicinity of the former Triangle Cleaners property on Gougler Avenue. Since that time Bridget has determined that the City can also apply for site remediation work, and as a result, she is asking for Council's approval to modify and increase the City's grant application from \$300,000 to \$331,000 to include the site remediation work. The grant has no local match requirement. (attachment)

Administration Recommendation

I recommend Council's authorization to submit and allocate the grant funds if approved.

Council Action

Authorize the submission of the grant application and allocate the funds if approved, with the emergency clause.
